Our goal is to inform, educate, and equip individuals for preserving human dignity when the end of a life draws near.

Abide With Me

*Abide with me;
fast falls the eventide;
the darkness deepens;
Lord, with me abide.
When other helpers fail
and comforts flee,
Help of the helpless,
O abide with me.*

*Swift to its close ebbs
out life's little day;
earth's joys grow dim;
its glories pass away;
change and decay
in all around I see;
O thou who changest not
abide with me.*

*I fear no foe, with Thee
at hand to bless;
ills have no weight and
tears no bitterness.
Where is death's sting?
Where, grave, thy victory?
I triumph still, if Thou
abide with me.*

*Hold Thou Thy cross
before my closing eyes;
Shine through the gloom
and point me to the skies.
Heaven's morning breaks,
and earth's vain
shadows flee;
In life, in death O Lord,
abide with me.*
